AN AFTER-ELECTION ORDEAL.

his arms the dear one whom he is so soon to

returned to her hotel and had a long spell of bysterics, while the condemned man remained for a long time in the state of depression into Judge Van Syckle's Queer Course which thoughts of his wife and her sorrows seem always to plunge him.

birchall is not now in the same cell in which he has spent the previous portion of als confinement here. His change of quarters was accomplished last evening and is due to sheriff also suicede. The Sheriff had a fear that posson | still out at 1, 30 o'clock. or s me wespon might be concealed in the old cell, which the prisoner might use at the last to be discharged, stating they could not agree, through. If there is any ground for such mistrust of

the law has directed, and to meet his fate much untavorable comment, and even people she was partially disabled by a previous storms who hereinfore denounced the race tracks are Birchall is one of five murderers now await- now beginning to change their opinion, as the two Provinces of Ontario they think the matter is not being fairly t-ated. Many of those who perishe

there the latal day is a criday. This is not due to any custom, but is only a chance circumstance of dates.

This is not one to the training content of the july say they will never agree, if they have to stay out a week.

The jair here has been thoroughly deemed up and brightened, as if te-morrow's event were to be a housewarming rather than a hanging.

The whitewash brush and the scrubbing brush have been actively pited by the prisoners, and the gloomy wais have taken on a new appearance.

Birchail cannot see the gallows from his cell will dow, though a portion of the july grounds is visible. The scaffold has been erected in the southwest corner of the western yard.

There is probably no chance of bungling work about the execution. It is to be conducted by a professional hanging, the same one who lately superintended the legal taking off of Murdrers Kane, at Toronto, and Smith at London.

A decision is expected to-day from the Attorney-General as to whether filtrealits friends may have his body for interment outside the fail yard. There is ittle done that the provi-liail cannot were the same of the july and it was never expected by a professional hanging to the prison-level done the july and it was never expected he legal taking off of Murdrers Kane, at Toronto, and Smith at London.

A decision is expected to-day from the Attorney-General as to whether filtrealits friends may have his body for interment outside the legal was a wing so.

It is runnered that Dr. Kempshall's son has legal to the global provided to a wing and the leggy man's animosity towards the care tracks.
